

Instructions to Run our Program

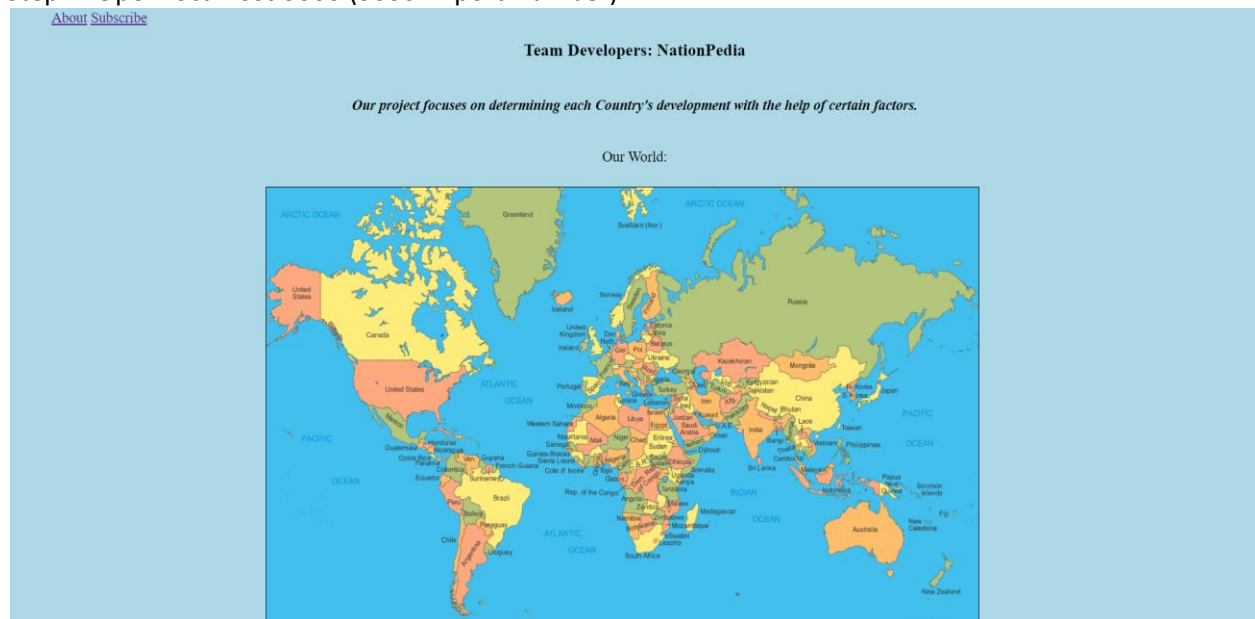

Step 1: node app.js or npm start, from command line

```
Neeraj@DESKTOP-R1I20JA /cygdrive/c/Users/Neeraj/eclipse/280Assignment2
$ npm start

> 280assignment2@1.0.0 start c:\Users\Neeraj\eclipse\280Assignment2
> node app.js

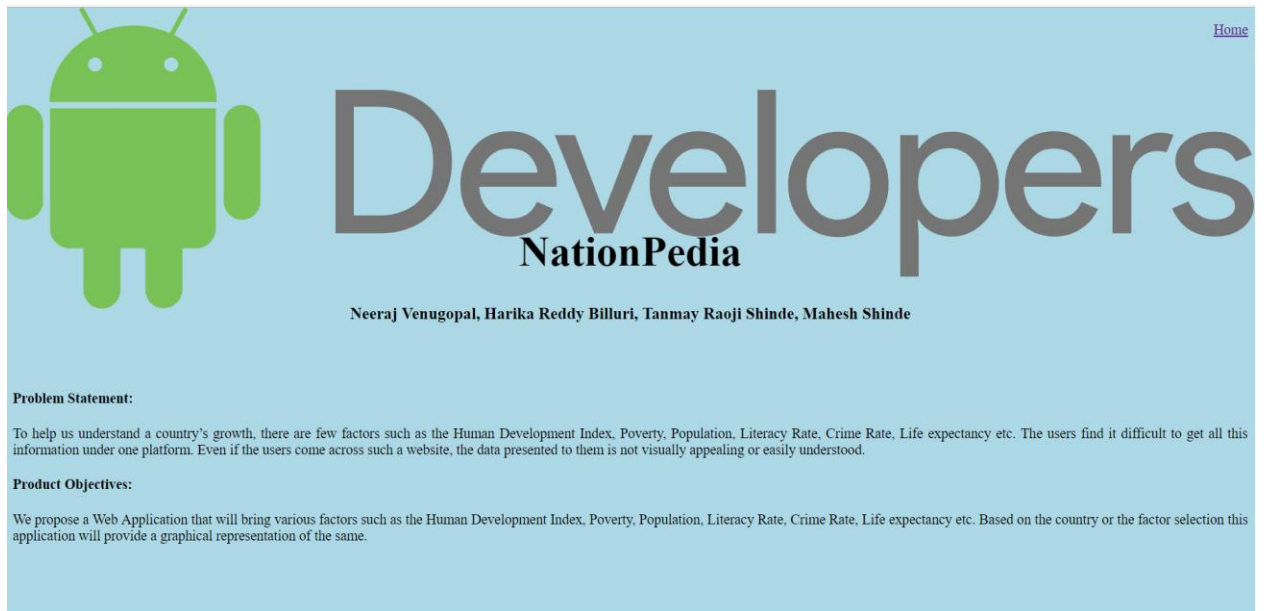

Fri, 14 Sep 2018 03:37:23 GMT express-session deprecated undefined resave option; provide resave option at app.js:20:9
Fri, 14 Sep 2018 03:37:23 GMT express-session deprecated undefined saveUninitialized option; provide saveUninitialized option at app.js:20:9
```

Step 2: Open localhost:3000 (3000 -> port Number)

Step 3: The above statement would open our home page. It consists of Header links: About and Subscribe.

- About Link – This Link would tell a brief summary of our project and provide you with the team Members and the Group Name.

- **Subscribe Link** – This would take you to a form page, where in the users are allowed to subscribe for regular email alerts. The Page would take the user details and would validate the same.

The screenshot shows a "Sign Up Form" page with a light blue background. The title "Sign Up Form" is centered at the top in a bold black font. Below the title is a white form box with a light purple border. Inside the form box, there are six input fields with labels to their left: "First Name", "Last Name", "Country", "Date of Birth", "Mobile", and "Email Id". The "Date of Birth" field has a date picker icon. The "Mobile" and "Email Id" fields have placeholder text. At the bottom right of the form box is a green button labeled "Subscribe". In the top right corner of the page, there is a small blue link labeled "Home".

Step 4: The bottom part of the Home Page would take in a country as an input and once we submit that country, the next page should display the countries factors (Poverty, Human Development Index, and Gender Inequality Index).

The screenshot shows a single input field on a light blue background. The field is labeled "Country:" and has a placeholder text "Enter a country...". Below the input field is a small button labeled "submit".

CMPE 280 Assignment 2

Step 5: As of now we have implemented only for 3 countries. Please input only these countries (India, England, United states of America) for the next page to dynamically build.

Country :

England

submit

Step 6: This page would provide you with a country's flag and its associated factors in a tabular form.

[Home](#)

india

Year	Human Development Index	Poverty Index	Gender Inequality Index
1990	0.428	0.116	0.687
1995	0.459	0.119	0.677
2000	0.494	0.221	0.619
2005	0.556	0.282	0.608

Step 7: Each page consists home button to go back to home.
